

Executive ESG Training Programme | Mumbai

From Compliance to Competitive Advantage

India ESG Alliance, in collaboration with AFC India Ltd. (a Union Government Company), presents an **immersive One-Day ESG Training Programme** designed to help organizations translate ESG principles into measurable business value.

As ESG becomes central to regulatory compliance, investor confidence, and long-term resilience, this programme equips decision-makers with the knowledge and tools required to lead responsibly and sustainably.

 **Friday, 16 January 2026**

 **AFC India Ltd., 1st Floor, Dhanraj Mahal,
Chhatrapati Shivaji Maharaj Marg, Mumbai – 400001**

Who Should Attend?

Tailored for senior professionals and leaders including:

- CXOs & Board-Level Executives
- Senior Management
- Heads of Sustainability, Risk, Compliance & CSR
- Financial Analysts, Investors
- Consultants & Auditors

Sectoral Focus: BFSI | Energy | MSMEs

Programme Framework

Participants will gain strategic and practical insights across:

1. **ESG Fundamentals & Evolving Regulatory Landscape**
2. **Materiality Assessment & Opportunity Identification**
3. **Environmental Excellence & Industry Best Practices**
4. **Social Responsibility as a Business Imperative**

Why Attend

- Navigate ESG regulations with clarity and confidence
- Embed ESG into strategy, governance, and risk frameworks
- Strengthen stakeholder trust and investor readiness
- Learn from experts with hands-on ESG implementation experience
- Network with peers shaping India's sustainability agenda.
